

REQUEST FOR PROPOSALS

The Greenville County Water and Sewer Authority (Authority) is currently soliciting proposals from qualified engineering firms for the production of a Preliminary Engineering Report (PER). The PER will evaluate the sludge handling system at the Jarratt Water Treatment Plant and provide recommendations on improvement and/or replacement of those facilities.

Proposals for the PER must be submitted to the attention of Moses A. Clements, at the Greenville County Administration Building, 1781 Greenville County Circle, Emporia, VA 23847. Responses must be clearly marked on the exterior of the package as "Proposal for Jarratt Water Treatment Plant Sludge Handling Project". Proposals must be received prior to 2:00 p.m. on May 20, 2014. Proposals received after the stated date and time will be returned unopened.

Additional information regarding this project can be obtained by contacting Mr. Clements at (434) 348-4205, or by e-mail at mclements.wsa@greenvillecountyva.gov

The Authority reserves the right to reject any and all proposals received and to re-advertise for these services.
